OASIS Round-Up: Validating Accuracy, Purging the Uncertainty

Recorded:
March 30, 2010
3:00 p.m. to 4:00 p.m.

Description

OASIS-C, the biggest change to OASIS in over a decade, resulted in a new set of challenges. What is the CMS expectation related to the new process items? How do you complete the complex tables for interventions and plan of care parameters? What about the look-back requirements to complete OASIS items? What is the provider's responsibility related to patient immunizations? What are the new requirements related to medications? How do I decide what the client could do prior to this illness? Get answers to these questions and more through this information-packed training. Learn the secrets to OASIS-C accuracy as you get the latest CMS information. Clear the confusion through key guidance using "real-life" scenarios. This is a training program you can't afford to miss!

Objectives

Upon completion of the program participants should be able to:

1. Discover accurate answers to confusing OASIS data items
2. Review new OASIS-C process measures
3. Examine CMS definitions related to scientifically tested tools

About the Presenter

Pat Jump has emerged as a renowned speaker and trainer on OASIS, regulatory issues and employee development topics. She is a sought-after trainer known for her energetic, animated and results-oriented presentations. She is often interviewed and quoted as an authority on assisted living and home care issues. Her top priority is to assist health care providers to receive the

education and information they need to perform efficiently and effectively in the most cost-effective manner possible.

As a professional trainer, consultant and publisher, Patricia conducts seminars across the country for all levels of employees in business, professional associations, educational organizations, churches, and government agencies. She completed the HCFA/CMS OASIS - HHA surveyor training course and was the initial MHCA OASIS trainer for the state of Minnesota. Pat has been conducting OASIS training **since its inception**. With numerous publications to her credit, Patricia has authored articles, a mentorship implementation manual, policies and procedures, several mock survey tools for home health care and assisted living, and has produced several videos on topics including OASIS, HIPAA, and professional boundaries.

Patricia Jump received her Masters of Arts Degree in Health and Human Services Administration from St. Mary's University and her Bachelors in Nursing Degree from Winona State University. She has over 25 years of home care

experience and over two decades of public speaking experience. She is the President and owner of Acorn's End Training & Consulting.

Audience

Nurses
Clinical Managers
Home Health Administrators
Home Health Directors

How the webinar works

After registering for the webinar through IAHC, you will receive (approx 3-5 days prior to the event) an email providing you with a link to GoToWebinar (our webinar host) to retrieve your unique webinar access codes. An automatic confirmation will be sent to you after registering for the access codes. At the scheduled time of the webinar, click the "Join a Webinar" button or the link in your GoToWebinar confirmation email. You may connect to the audio using your computer's microphone and speakers (VoIP), a headset with microphone, or telephone. For more FAQs about GoToWebinar, visit [https://www1.gotowebinar.com/en_US/webinar/pre/signupport.tmpl](https://www1.gotowebinar.com/en_US/webinar/pre_signupport.tmpl).

Your agency is welcome to call-in on multiple lines with no extra charge. Handouts will be sent electronically prior to the event. All webinars will be recorded. You will receive a link for the recording 3-5 days after the event.

CEUs and CEU Provider

CEUs will not be provided for this offering

Payment:

Payment must be received by IAHC before access to the recording is made available to you. Please make checks payable to IAHC (Fed ID# 42-1279137), or you may submit a credit card.

Cancellation Policy:

No refunds will be issued for recordings.
